

ASSEMBLY BILL

No. 341

Introduced by Assembly Member Aghazarian

February 11, 2003

An act to amend Section 7027.5 of the Business and Professions Code, relating to contractors.

LEGISLATIVE COUNSEL'S DIGEST

AB 341, as introduced, Aghazarian. Contractors: landscape contractors.

Existing law, the Contractors' State License Law, creates the Contractors' State License Board within the Department of Consumer Affairs and provides for the licensing and regulation of contractors. Existing law authorizes a landscape contractor working within the classification of his or her license to design a system or facility for work which he or she performs or supervises.

This bill would authorize a landscape contractor working within that license classification to subcontract with a swimming pool contractor for the construction of a swimming pool, spa, or hot tub that is included within a landscape project the landscape contractor is supervising.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:
